

Are you well prepared to help your clients with their pet behavior issues?

FACT

PET OWNERS often rely on veterinary offices to help them with their pet training and behavior questions.

FACT

AVSAB RECOMMENDS that veterinarians use or refer their clients **ONLY** to trainers and behavior consultants who understand and use the principles of positive reinforcement training.

FACT

KAREN PRYOR ACADEMY (KPA) provides veterinarians with a reliable, quality-controlled global network of dog trainers who teach and train using positive reinforcement principles.

FACT

KPA CERTIFIED TRAINING PARTNERS maintain high client service standards and have the “know-how” to build productive partnerships with veterinarians.
